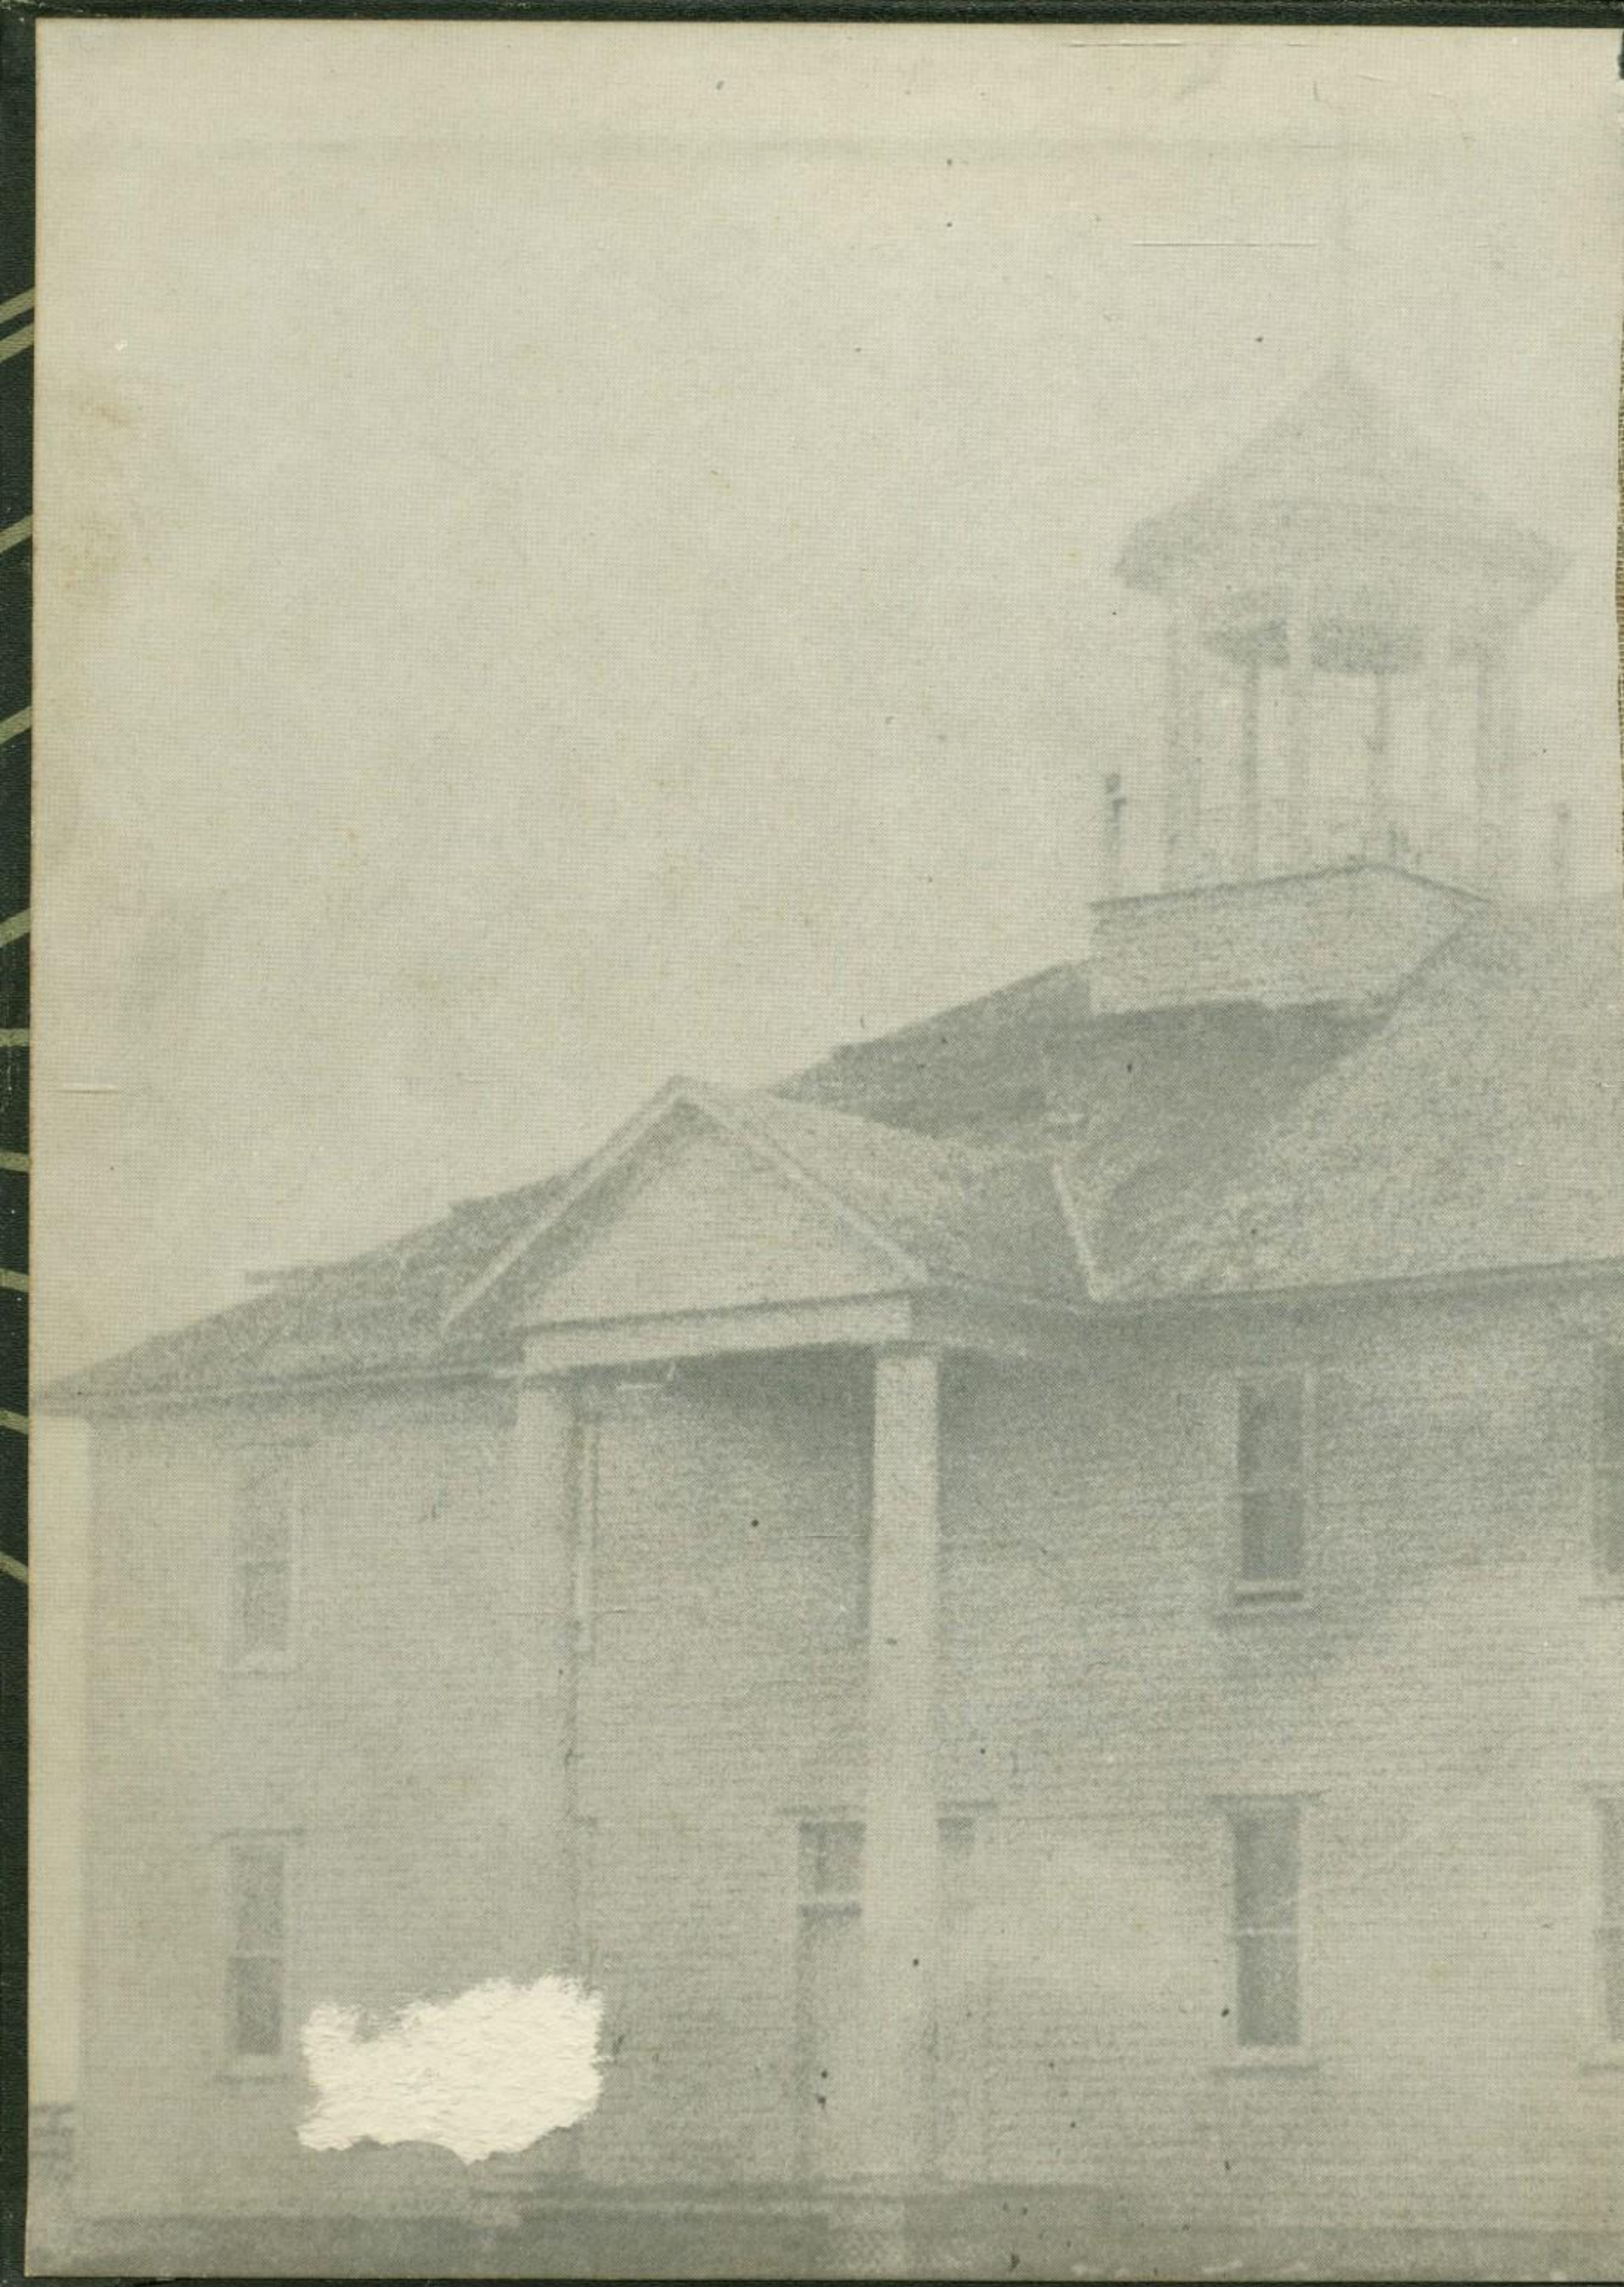
MUSTANG

1953



ANDREWS 1911-12

Dearest Bunny,

I've enjoyed every minute I've spent with you these last 2 mo. I haven't been in high school very long but of all the boys I've ever gone with I've enjoyed going with you the most. You're the sweetest thing in the world, to me, Bunny, and I'm really sorry when I make you mad. I hope we continue going together but if something happens lets always be friends. I won't ever forget you and the fun we've had, and I hope you won't either.

I Love you,

Sept 63-64

Betty

To Mr. Gordon H. Williams, journalism and history teacher, sponsor of the Round-up and Mustang staffs, we dedicate the 1953 MUSTANG.

Mr. Williams has spent many hectic hours in order that you might have the 1953 Mustang. He well deserves our praise.

Dear Reader:

Progress is the theme of the 1953 MUSTANG. On the fly leaves you will see some of the classes and activities of our school many years ago. You can easily see how much our schools have progressed in the last few years.

In the pages of this book, we have recorded, as nearly as possible, the 1952-1953 school year.

We hope you enjoy the 1953 MUSTANG.

Who's Who

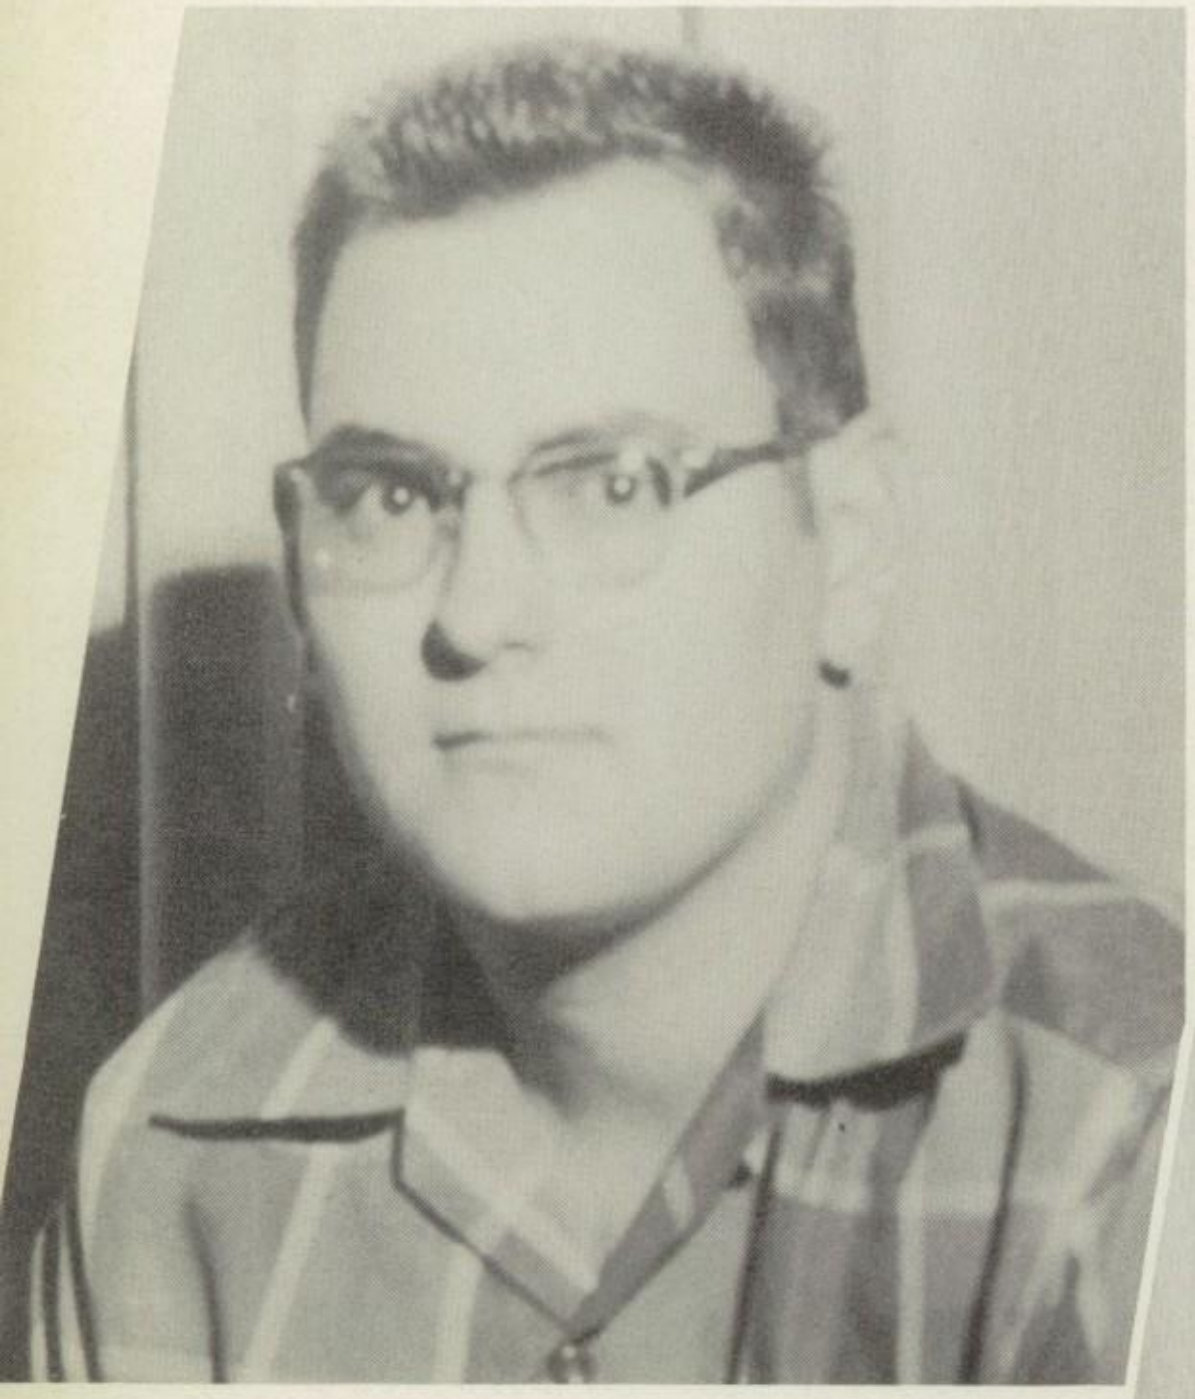
MOST TALENTED



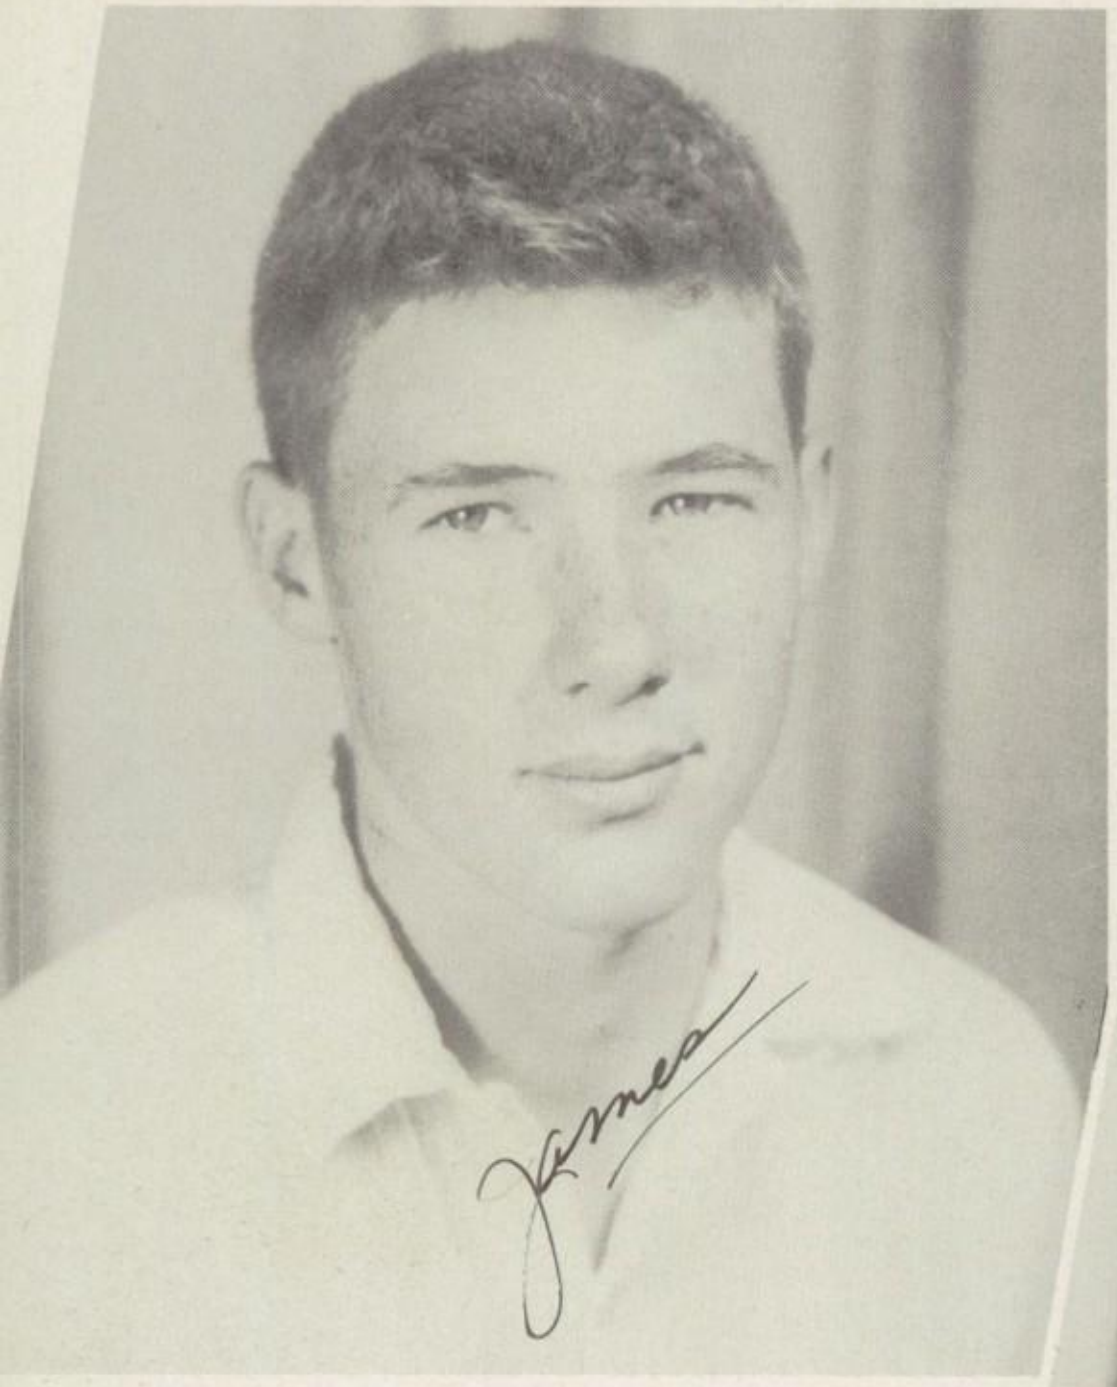
Thomas Reamy

Thomas has shown his talent by his wonderful acting, his artistic ability, and his writing ability. Anyone that has seen any of his paintings, his acting, or read any of his stories knows that he well deserves this title.

Sandra Everts

Sandra, only a sophomore, has already proven that she is one of the more talented in our high school today. Not only is she a good artist, but she is also an expert drummer.

FRIENDLIEST



James Durbin

For one who has only been in high school one year, James has certainly made a lot of friends. He is known by everyone by his friendly "Hello".

Charlene McNeil

Charlene is just the person anyone coming into Andrews High for the first time gets to know. "Mac" always speaks to everyone that she meets and always has a warm, friendly smile. Just ask anyone in Andrews High and they will all tell you the same thing.

SCHOOL SPIRIT

Donna Houston

Anyone who can be elected cheerleader three years in a row must have an abundance of school spirit and that is certainly true of Donna. No matter if the team is behind or ahead Donna is always first with a "Come on, Mustangs."

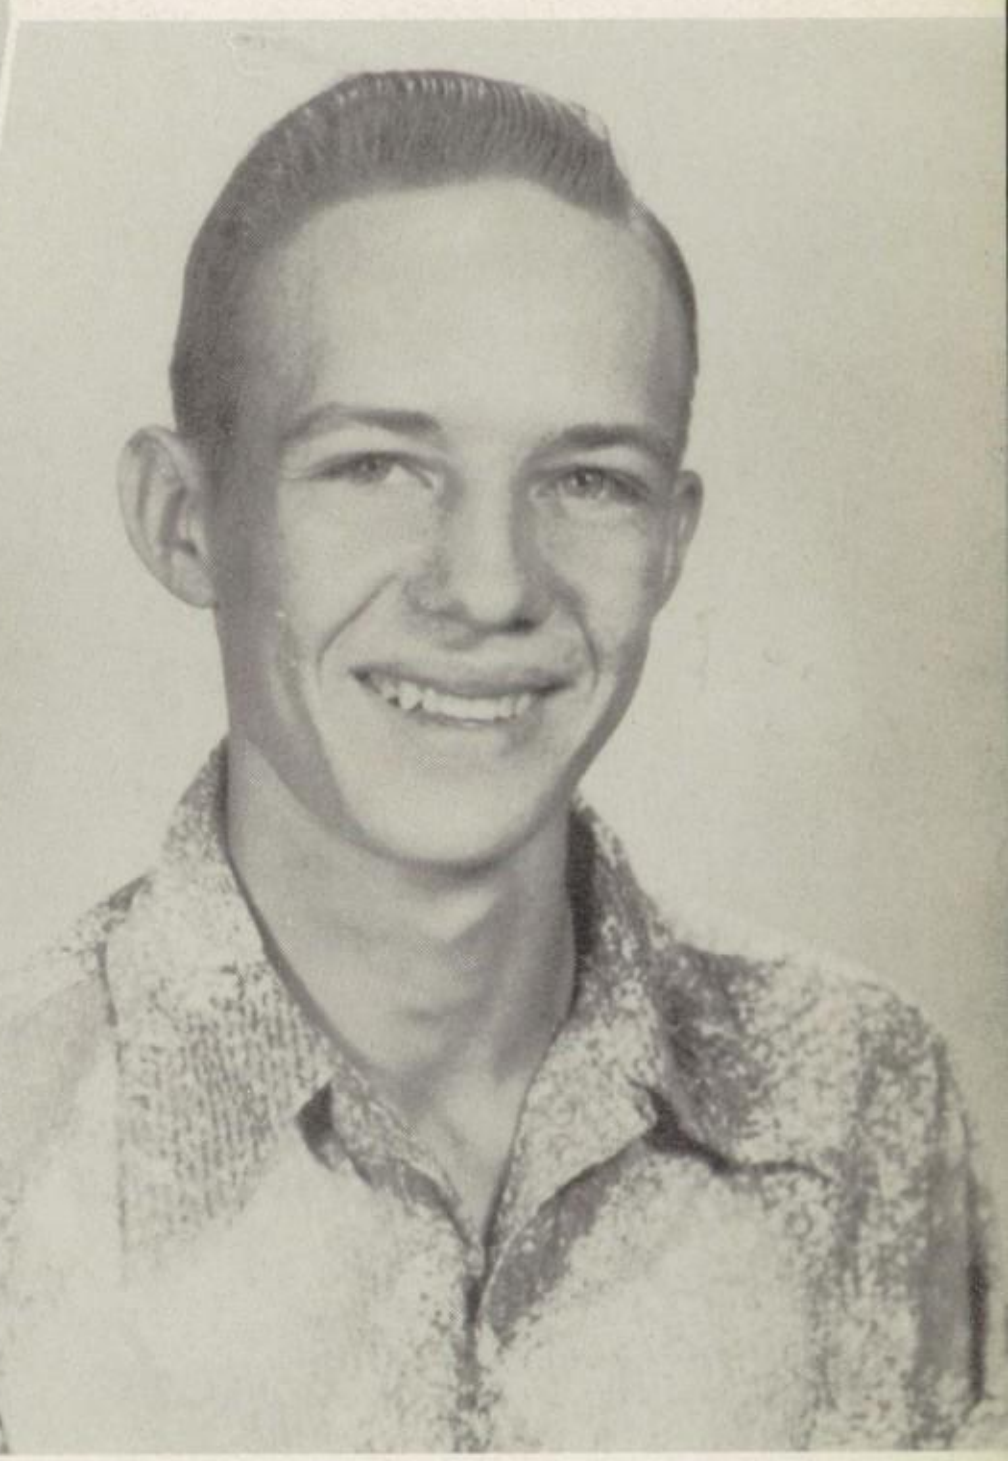
Max Ragsdale

Anytime there is a ball game or any other event in which Andrews High is represented, you will find Max right there backing Andrews to the limit. Max really has what it takes in the way of school spirit.

MOST DEPENDABLE

Shirley Nix

Shirley always seems to get the jobs with all work and no glory. Anyone who has ever worked with her or has ever asked her to do anything for them will tell you when she starts to do a job she does it and does it right.



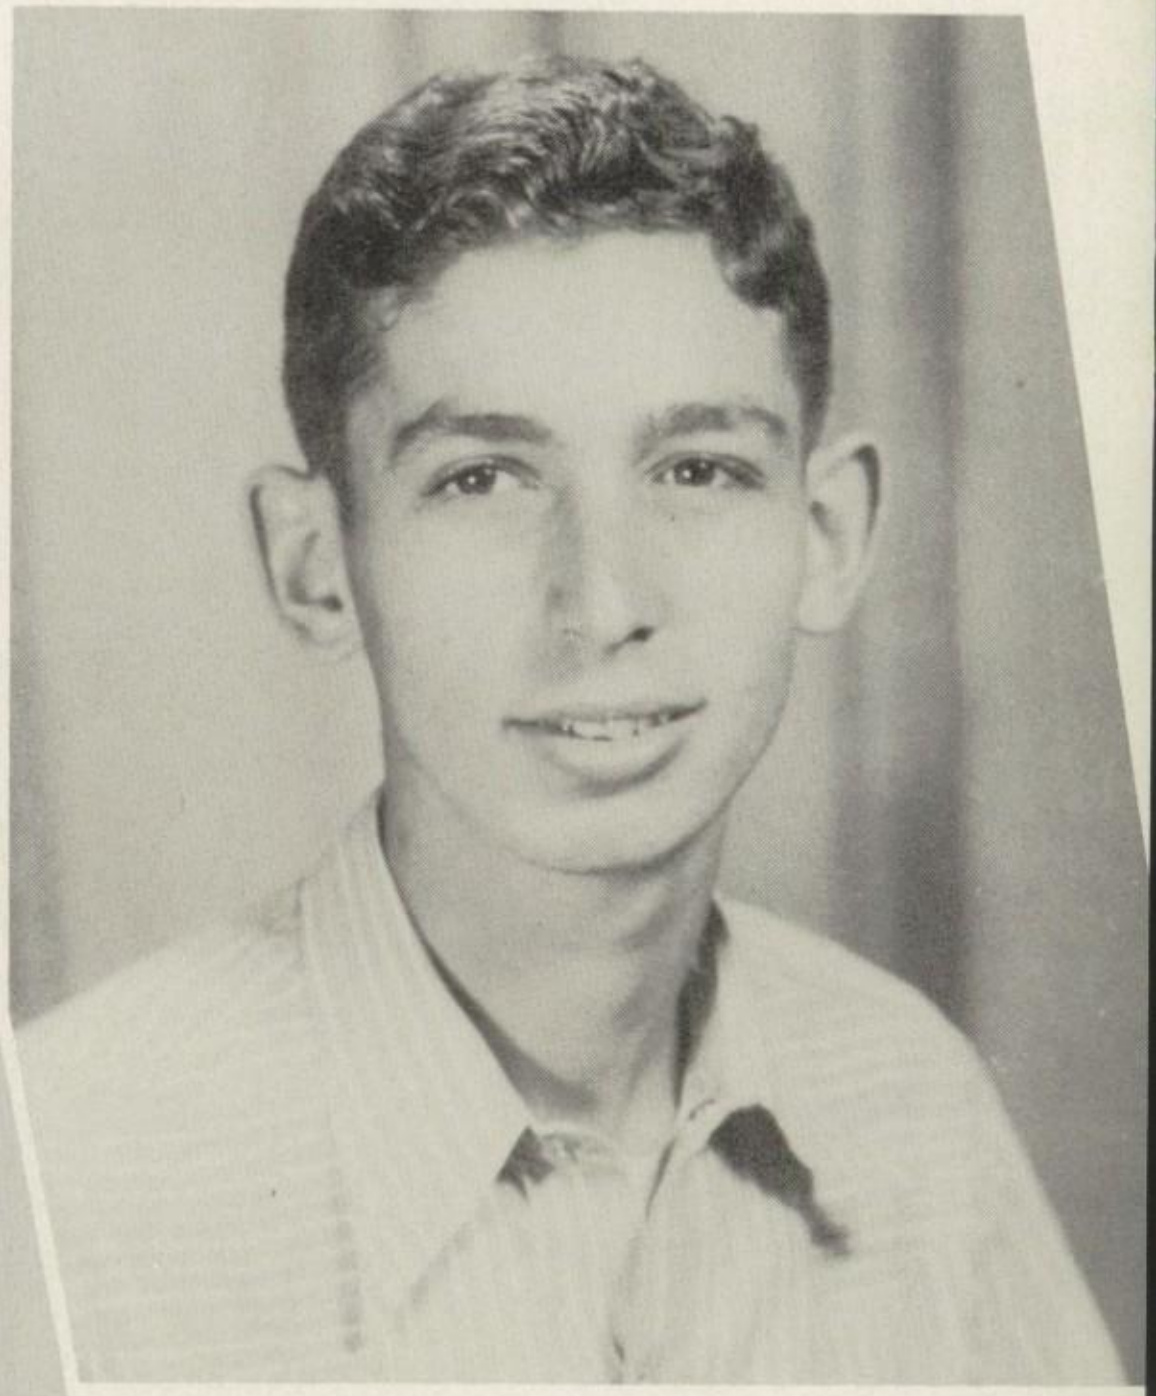
Gene Tucker

Anyone in the band or on the Annual staff or anyone else for that matter can tell you no one is more dependable than Gene. When Gene tells you he will do something, he means it. All through high school he has been dependable and will probably be more so now that he is out of school.

SPORTSMANSHIP

Patricia Shirley

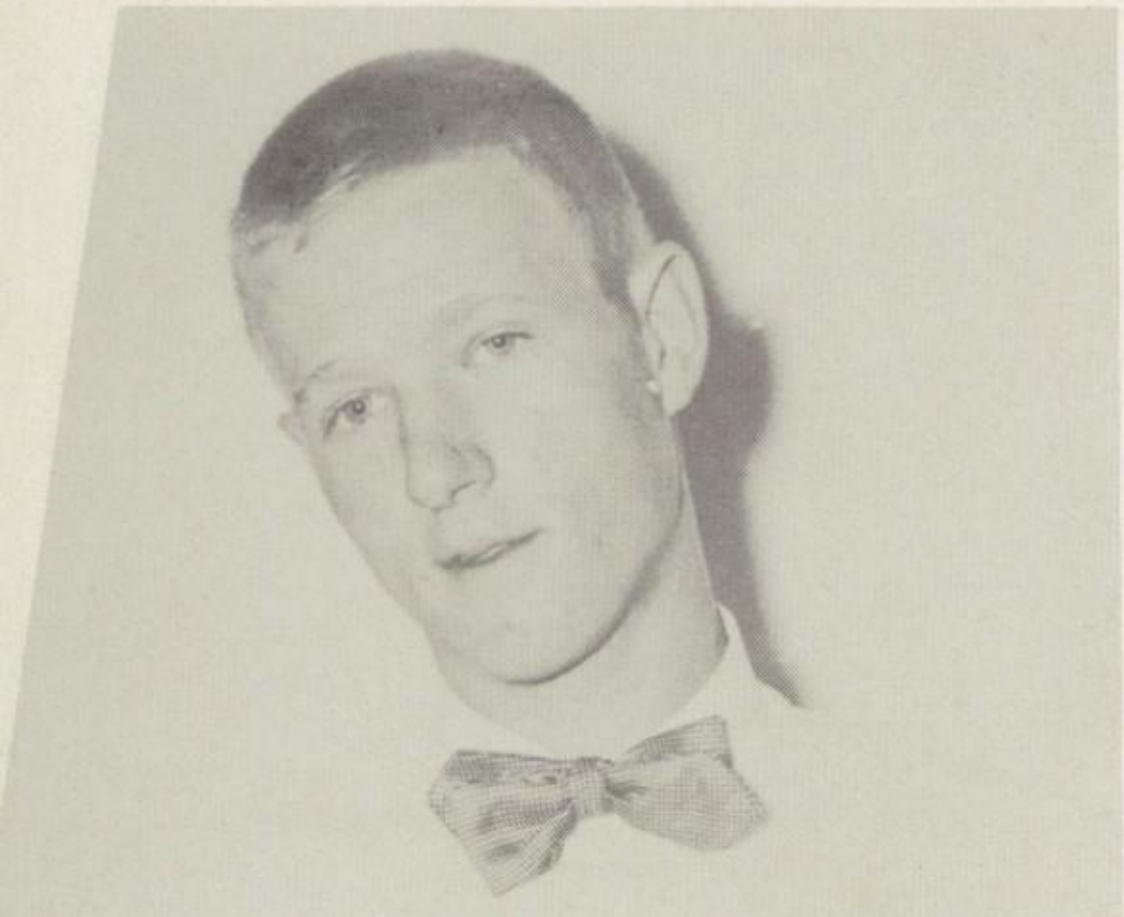
Pat has worked hard in everything she undertook this year. She has shown that she is a good sport in everything she has done.



Billy Mays

Everyone who knows Billy, and most everyone does, knows that he is high on the sportsmanship list. In sports or anything he does, he is not only a good loser but a good winner.

MOST STUDIOUS



Pat Harrison

Pat's outstanding academic record throughout her high school career shows that she well deserves the honor of being most studious. She does not always have to study to make her grade for everyone knows that Pat is smart in other ways as well as book sense.

J. Frank Davis

J. Frank is a good worker at anything he does. He maintained a very high average all through high school. Besides keeping his studies up he takes part in all school activities.

LEADERSHIP

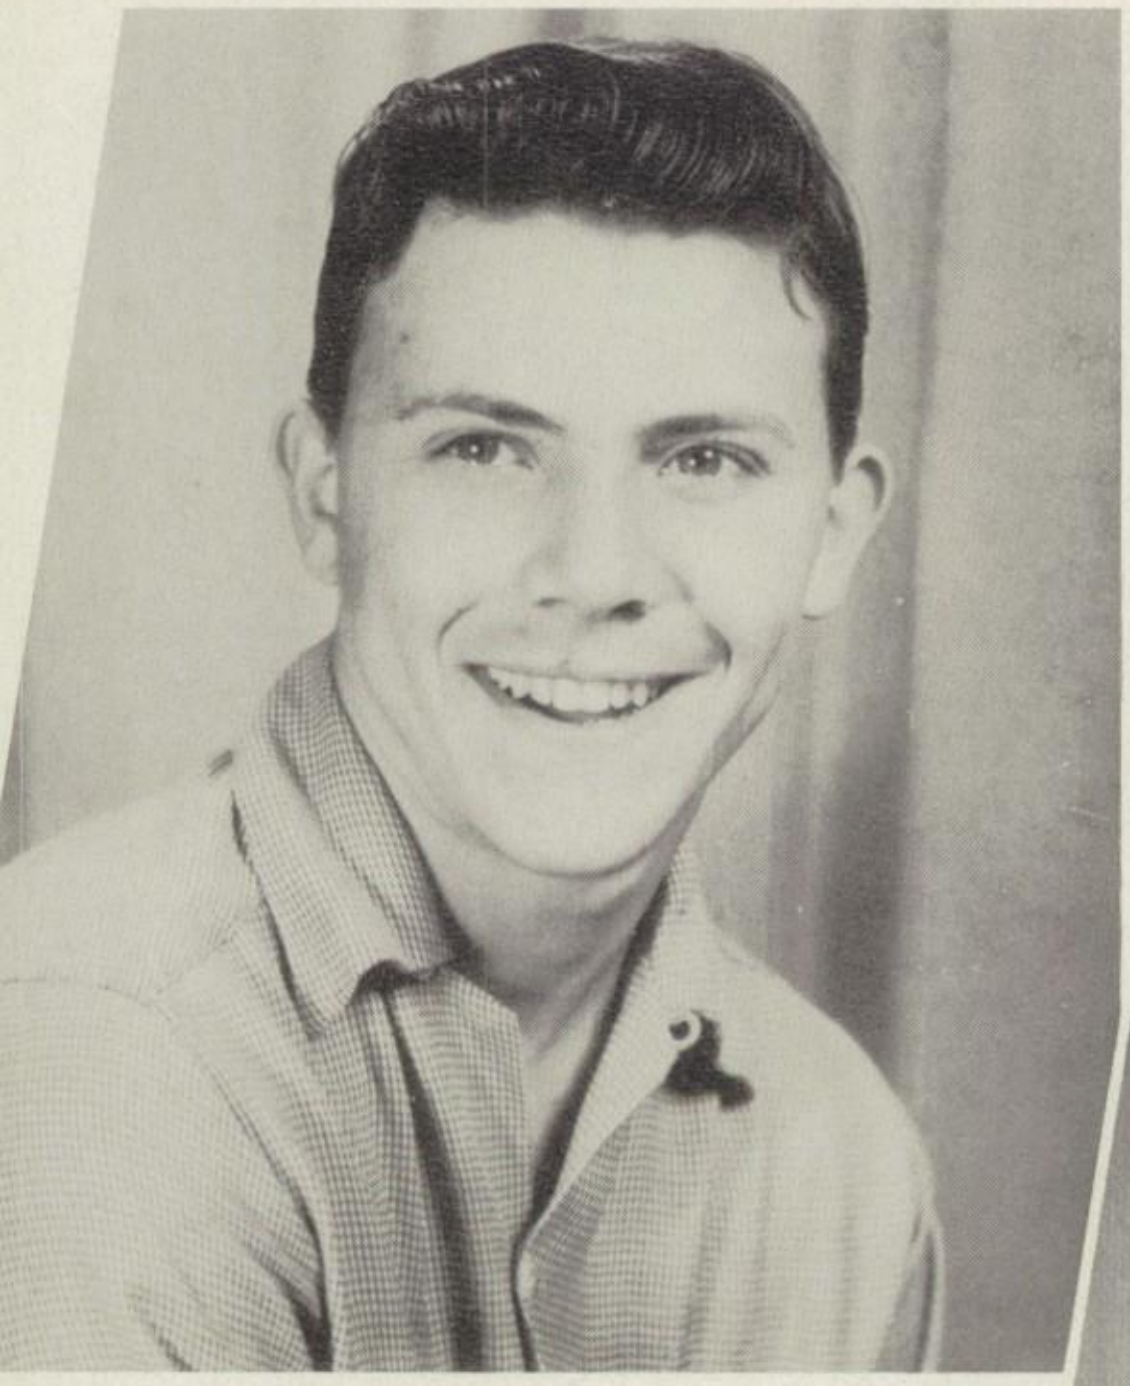
Janie Dyer

Leadership is just the word for Janie Dyer. Anytime there is a job to be done, everyone looks toward Janie to lead them. Such things as the Jr.-Sr. Banquet and the rodeo show that Janie is a born leader.

Ronnie Huckabee

Ronnie has held an office in practically every club he has ever been a member of to show just what a good leader he is. On the student council, he has always taken an active part and everybody thought he had done such a good job that he was elected Student Council president.

CUTEST



Don Spencer

It's evident by that big smile why Don was chosen cutest boy. Not only is Don a handsome brute, but he has a personality to match.

Sandra Mayberry

Sandra has only been here a short while but she was a unanimous choice for the cutest girl. Not only her beauty but her personality makes her cute.

SNAPSHOTS

So what, you've been out of focus yourself, at one time or another.

Fashion plates.

Ouch! You're hurting my arm.

Ah! What a view!

Can't you read, Buddy?

Hard luck rode with the Mustangs the night they journeyed to Colorado City. There they lost a heartbreaker to the Wolves who scored on a short pass late in the third quarter. Andrews drove to their 8 yard line and fumbled, thus losing an excellent chance to score.

Bill Green goes after a pass as a Monahans player makes an attempt to block it. The Lobos gave us our second conference defeat 45-6, by using an experienced ball club and their superior reserve strength. In the last four minutes, Sherrill Ivy made our only touchdown of the game on a short pass play from the ten yard line.

Sonny Earle falls before the Golden Cranes as he attempts to sweep left end. We defeated the Cranes 32-12 for our only victory of the season. Touchdowns came thick and fast as Earle scored two, Ivy, Huestis, and Hollowell one each.

With the opening of basketball season, the Mustangs came within six points of setting a new scoring record by blasting Seagreaves 82-22. Roscoe handed Andrews their first loss of the season, 41-39 in the opening game of the Monahans Invitational Tournament. Opening district play we rolled over Monahans, Kermit, Seminole, and Pecos before falling to the Monahans Lobos 48-46 here. In the second round of district play, Kermit and Seminole tumbled but we lost to Pecos 35-29 there. District play ended with Andrews the winner by a six won and two lost record ahead of Seminole with a five won and and three lost record.

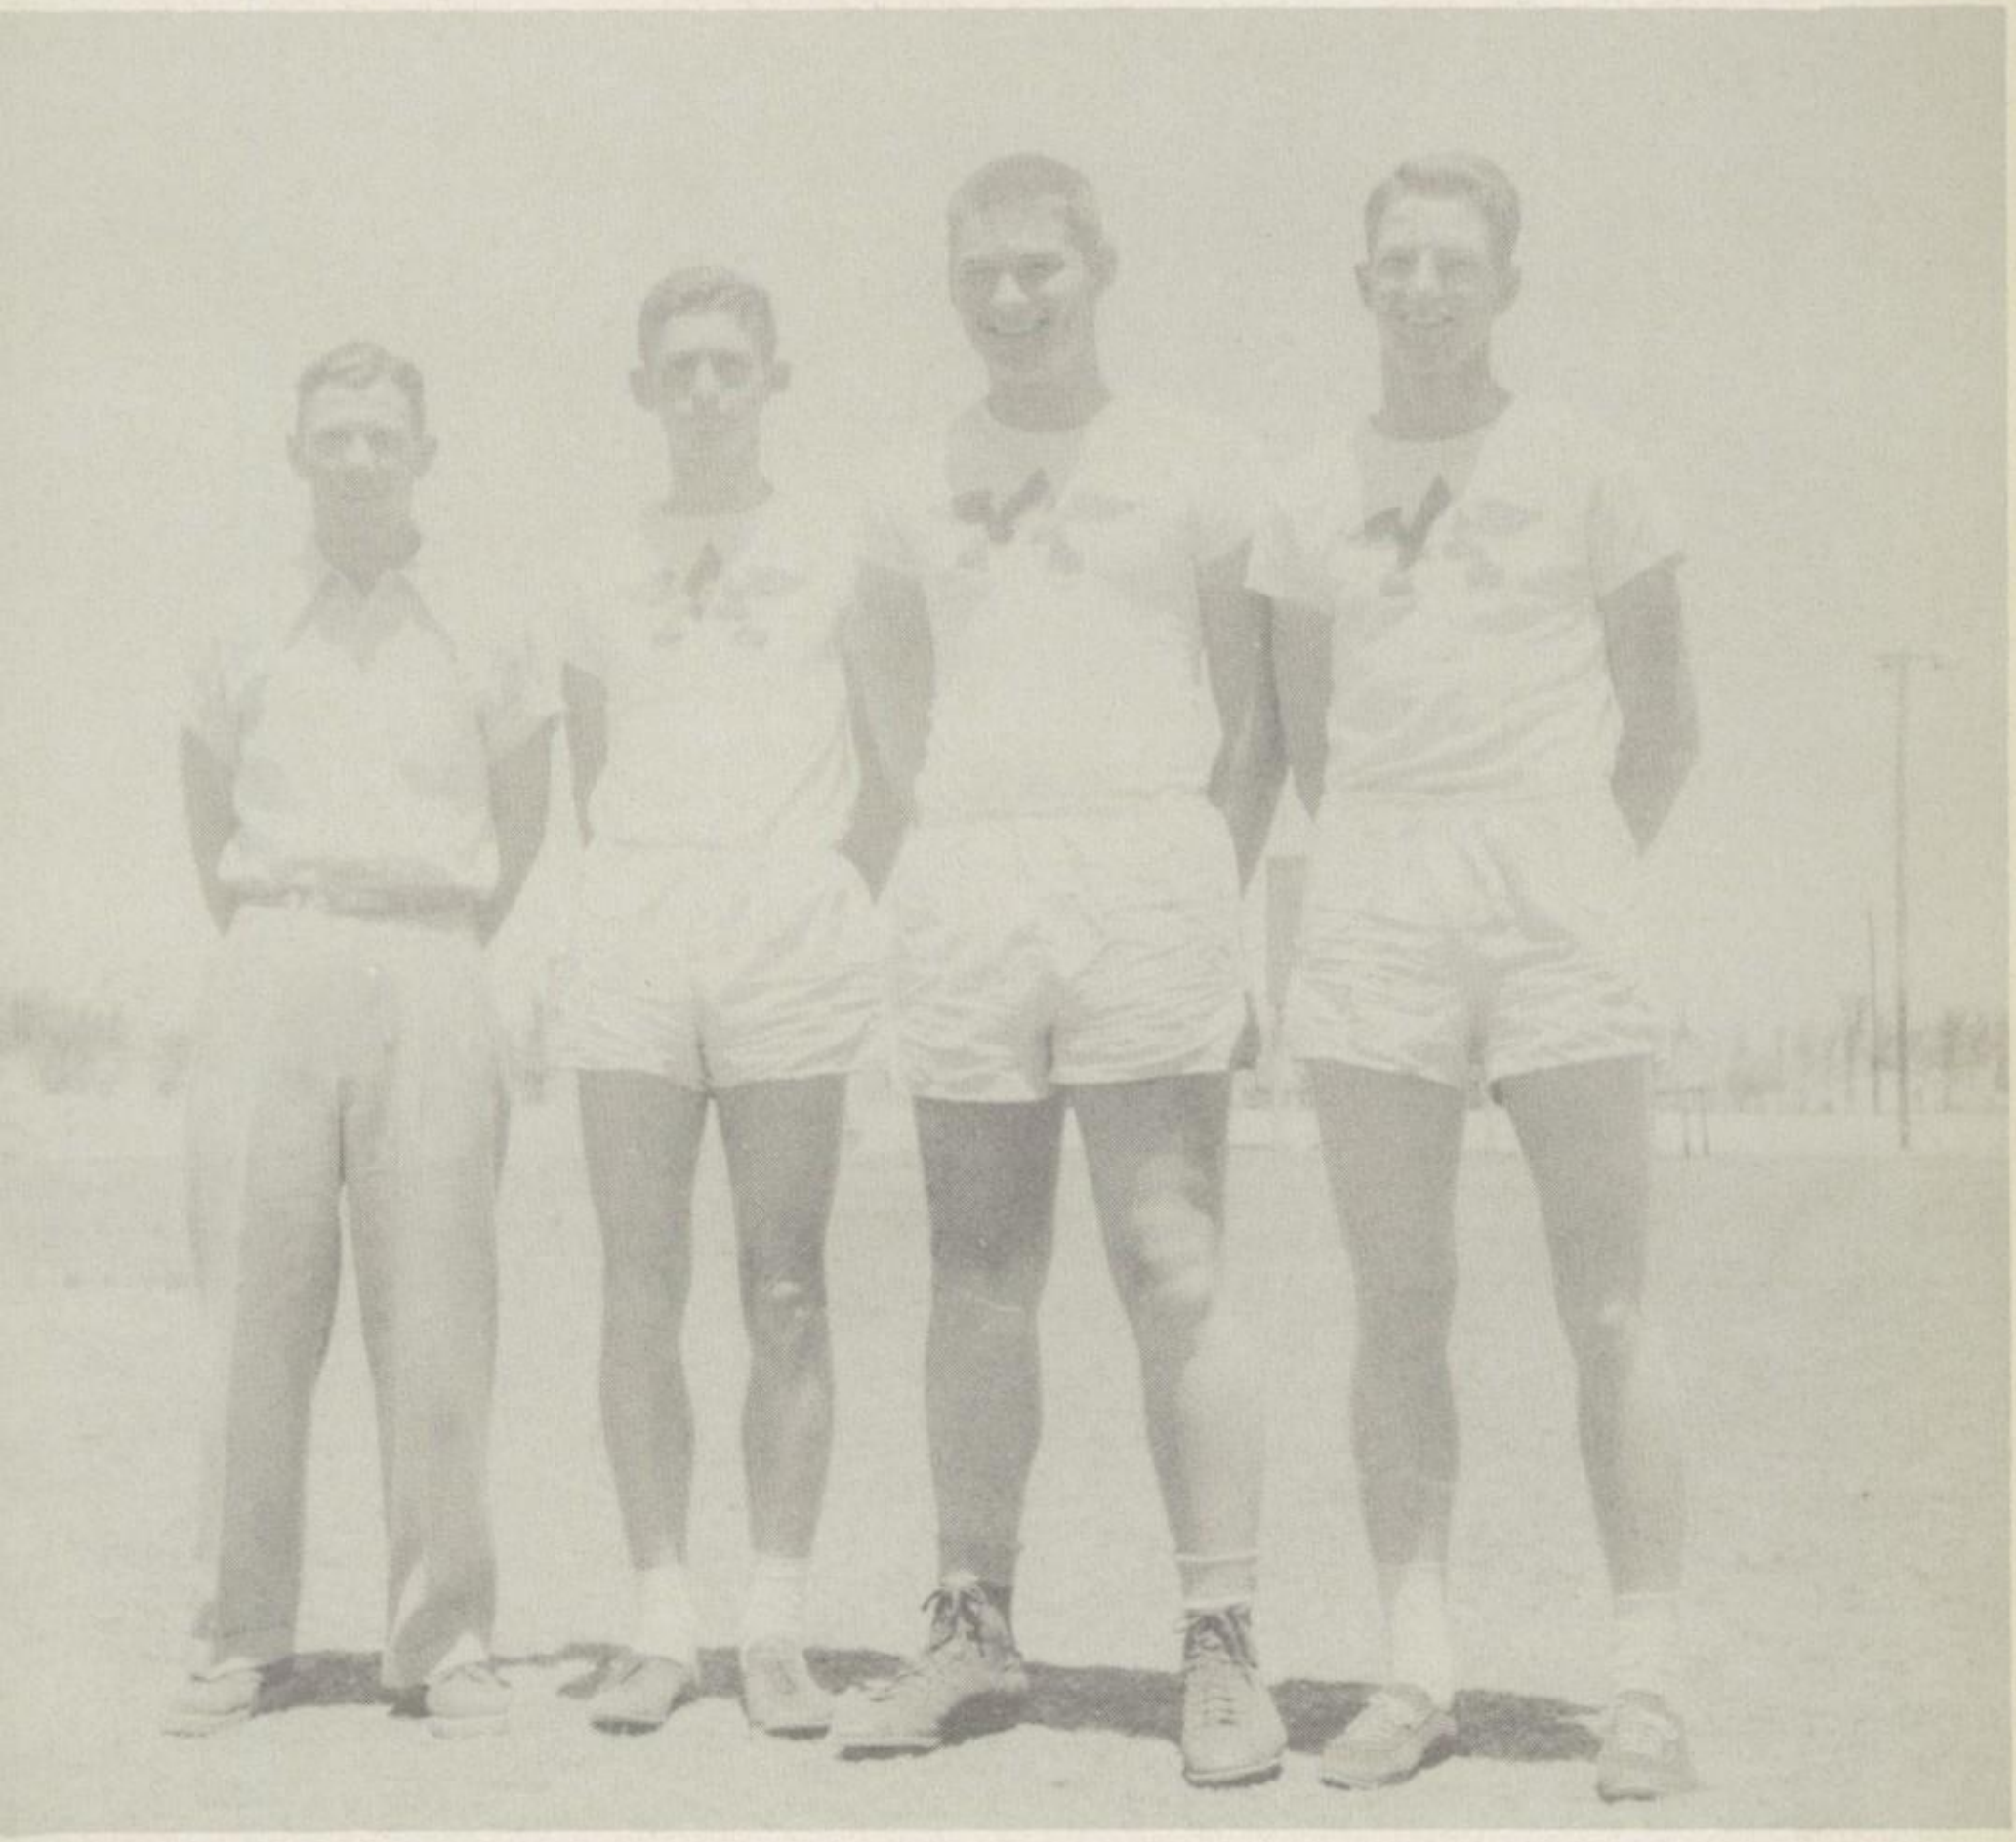
TRACK

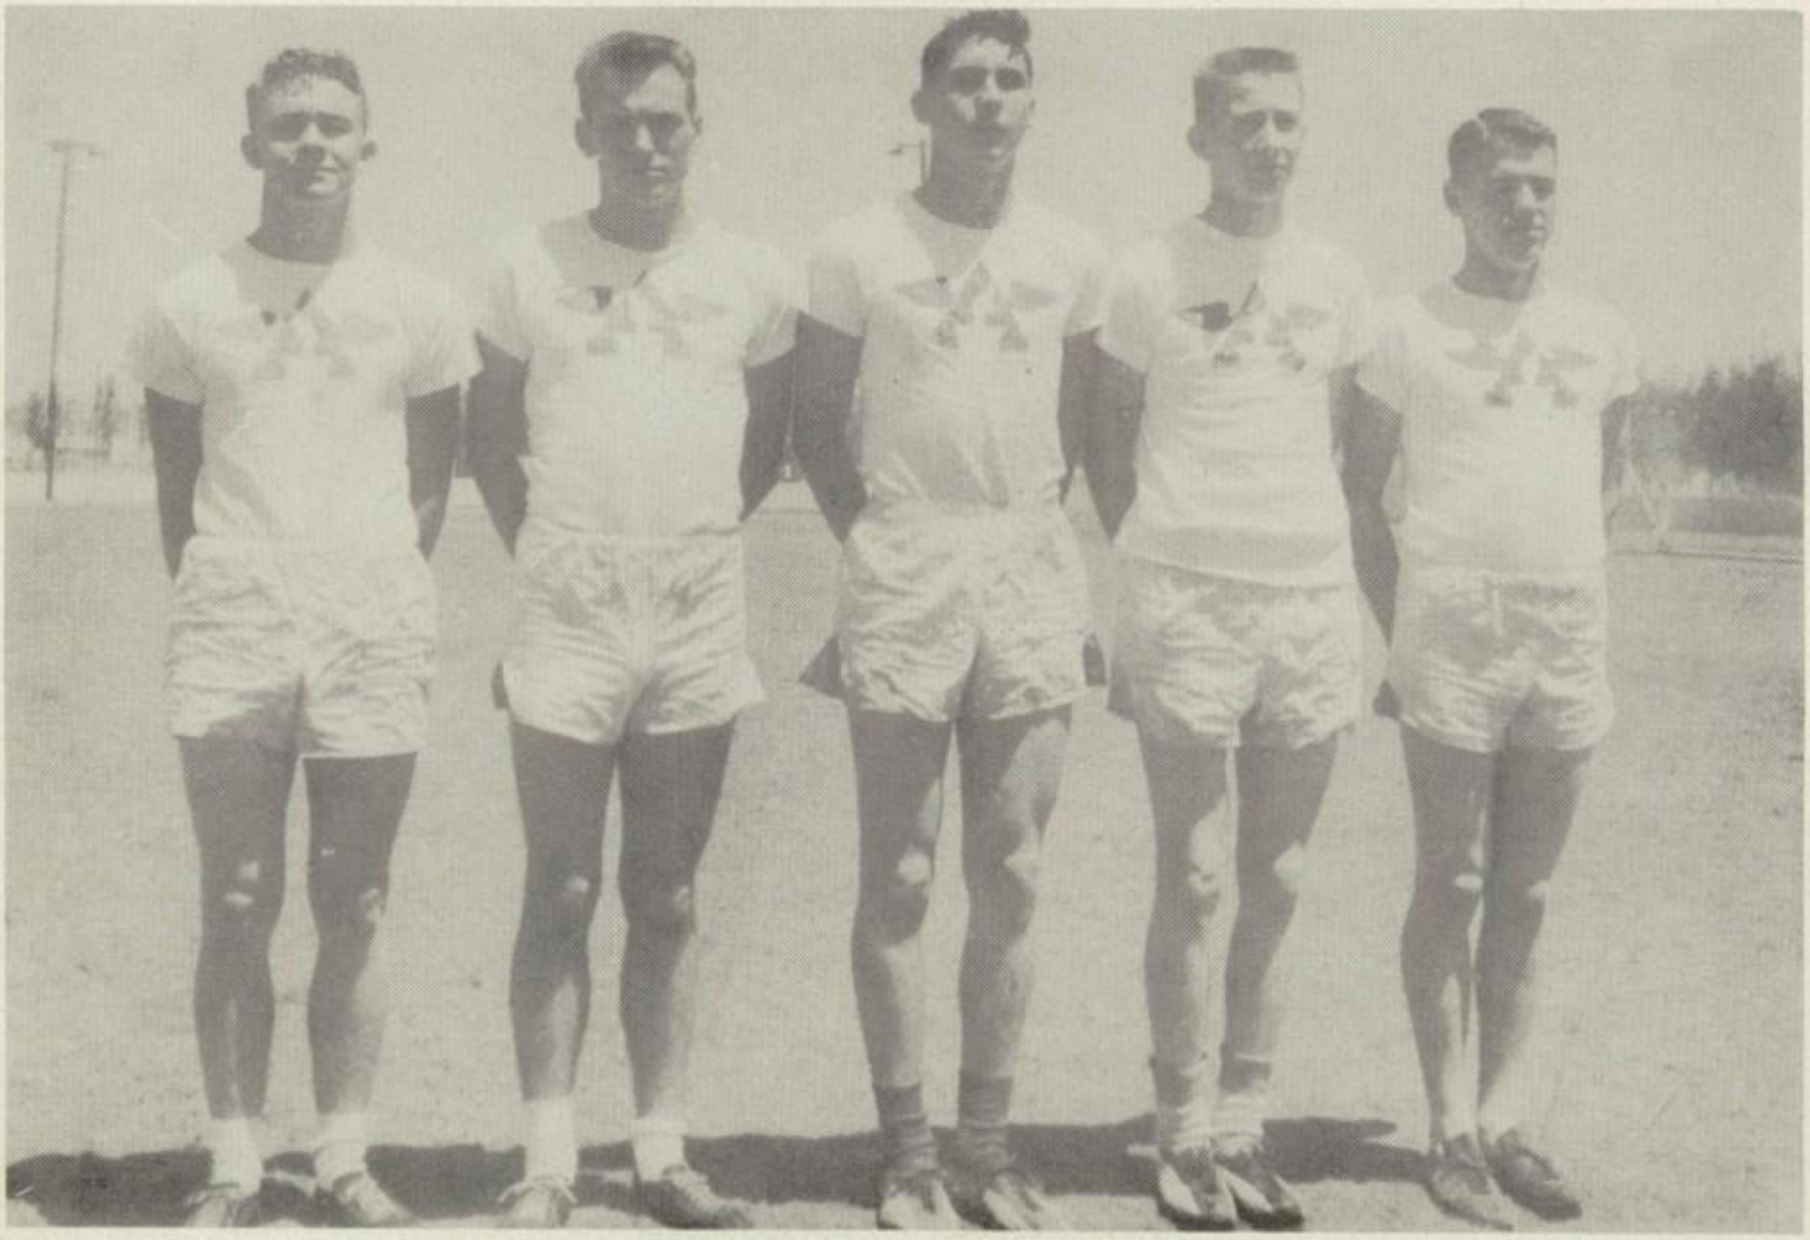


Left to right are Coach Max Goldsmith and his three state track meet competitors, Billy Mays in the one mile run, Bobby Don Wright in the shot put and discus throw, and Gene Ellis in the high and low hurdles and broad jump.

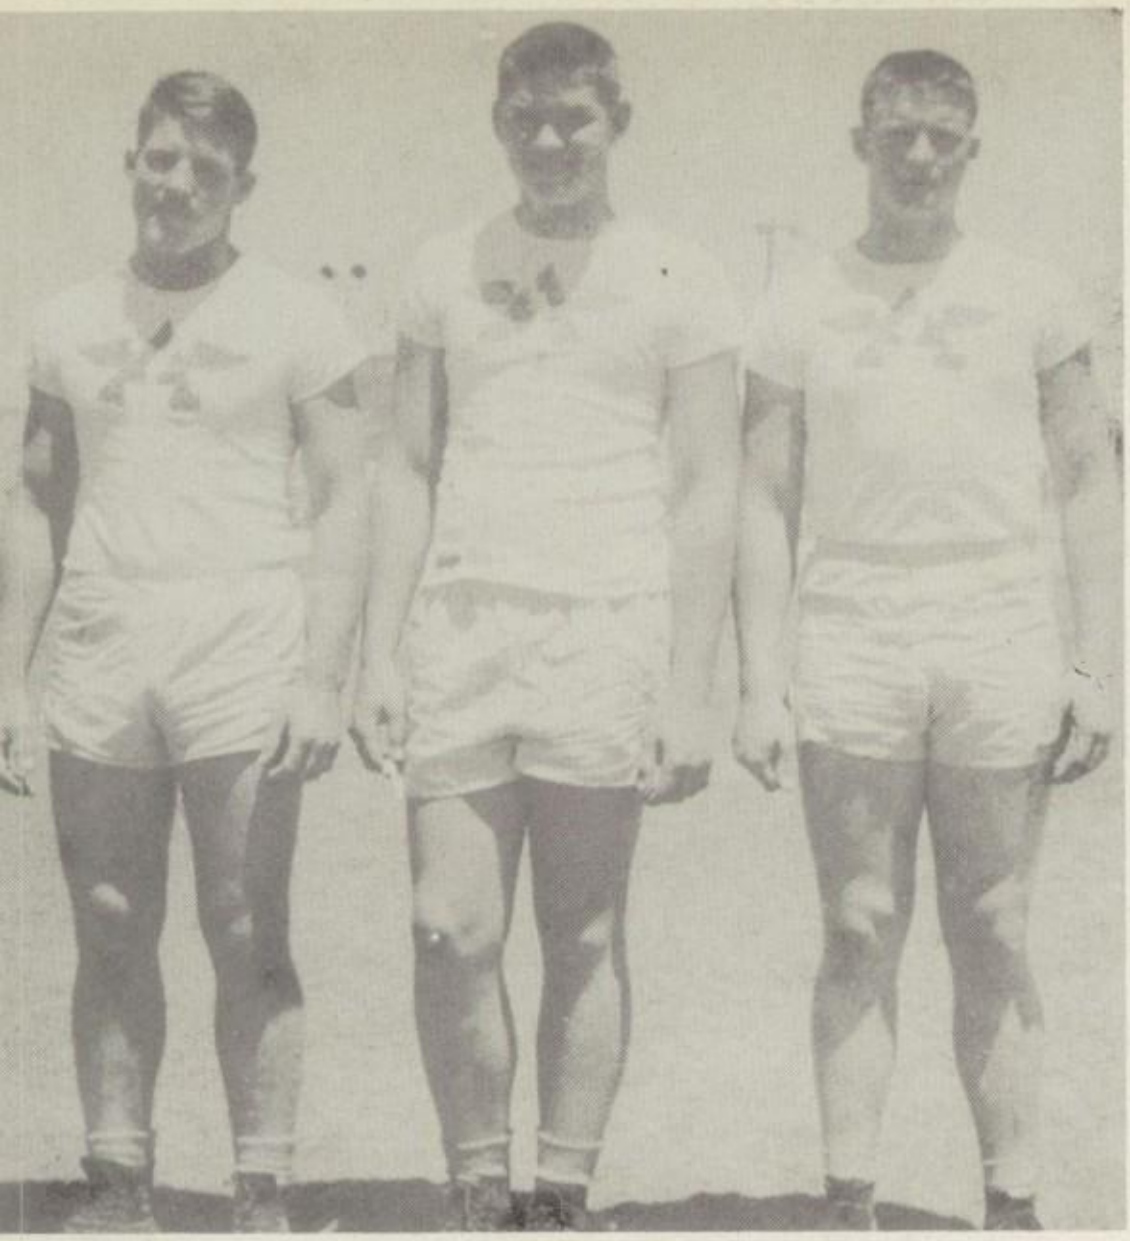
For the second consecutive year the Mustangs won the district 5-A championship. They finished sixteen points ahead of Denver City by a score of 52-36; winning seven of fourteen events in the district track meet. These included the low hurdles, high hurdles, 440 yard dash, one mile run, shot put, discus throw, and the one mile relay.

Hurdlers Leon Chester, left, and Gene Ellis, right.

Track season opened for the Mustangs with the winning of three small practice meets. The first major track meet of the season was the Comanche Relays at Fort Stockton in which the Mustangs wound up in a tie for first place with Junction with twenty-one points each. The tie for the Championship of the Comanche Relays was the second consecutive one for Andrews.



Shown above is the 440 yard dash men. LEFT TO RIGHT: Johnny Thames, Arthur Montgomery, Bobby Tompkins, Charlie Harrell, and Kenneth Helvey. The district championship one mile relay team was composed of (in their running order) Charlie Harrell, Johnny Thames, Kenneth Helvey, and Arthur Montgomery.



Weight men, left to right; Wade Graham, Bobby Don Wright, and L.F. McCary, shot put and discus throw. Not pictured is Sherrill Ivy who threw both the shot and discus.

The next meet for Andrews was the Canyon Reef Relays in Snyder. There the Mustangs found too much competition in conference AA schools and lost their first track meet of the season.

Andrews then journeyed to the Permian Basin Relays in Kermit. Rated as heavy favorites prior to the meet; they proved themselves by winning the track meet, The Mustangs practically re-wrote the record book as they finished ahead of Wink by a score of 47 to 28.

Next on the schedule stood the West Texas Relays in Odessa. Again the Mustangs were outclassed and failed to show.

The following week end the Mustangs went to the A.B.C. Relays in Big Spring but were snowed under by AA schools.

The 1953 track season was the most successful one yet for Andrews. It was the second year for Mr. Goldsmith as head track coach of Andrews. During the two years he has won the district title both years and this year finished second in Class A in Region I behind Phillips who was defending champion.

With the loss of only four boys from the team; three through graduation and one through ineligibility; the outlook for Andrews cindermen seems bright indeed.

Donald Gooch and Billy Mays finish first and second in the mile run at the Permian Basin Relays.

BAND IN CONCERT FORMATION

For the fourth straight year, Andrews won sweepstakes award in the regional contest. The contest was held in Andrews this year and everyone had a chance to see all the other bands in this region. Under the direction of Everett Maxwell, our band has grown to over a hundred. Anywhere the band goes they draw praise from the crowds. Although several play - ers are graduating, things still look good for next year. The band contributed several trophies this year to the already bulging show case. Everyone is proud of our band when it goes on trips and expects it to be one of the top bands there.

BOY'S HOME ECONOMICS

For the first time in the history of Andrews, boys took home economics this year. The boys learned how to cook, sew, make proper beds, iron pants and shirts, all clothes color combinations, manners, and how to take a girl to dinner. They cooked full course meals and invited guests to eat with them. Foods ranged from biscuits and meats, to cookies and cakes. Everything went all right until the wrinkles wouldn't come out of the shirts. Boys enrolled in the class were J. Frank Davis, Dick Blenden, Arthur Montgomery, Charlie Harrell, Elvie Hamilton, Aubrey Mobley, Sonny Earle, Bobby Perry, Jimmy McCorcle, seniors, Gene Ellis, Jerry Bowden, Kenny Helvey, Donald Gooch, juniors, and Jackie (Pinkie) DeShazo, sophomore.

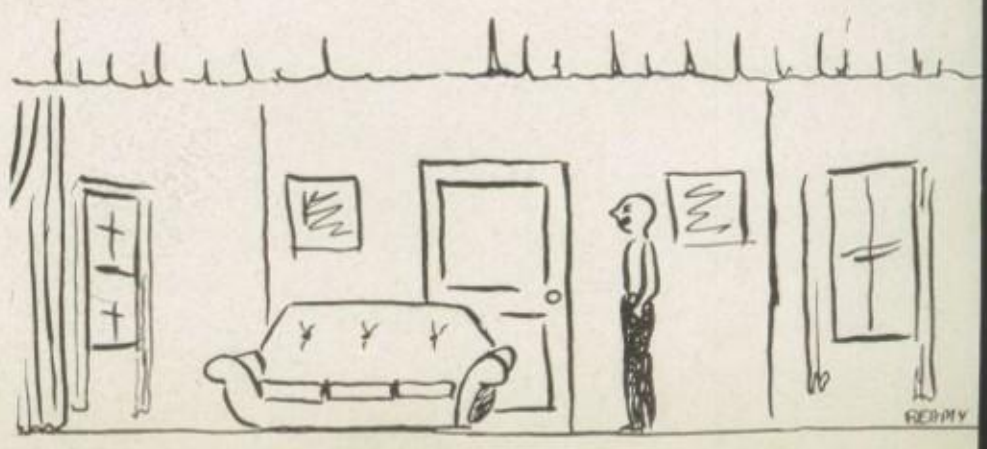
NIGHT MUST FALL by Emlyn Williams was the second major production of the Comedia Players in the '52-'53 season.



Get a load of that car.

Something wrong?

MONTERREY, OLD MEXICO

Teaching little kids bad habits,
eh, J. Frank?

Cooling off.

Taking in the Mexicano Terreces. Food, drinks, and dancing. Boy, that's the life.

Some of the seniors took in some night clubs and this picture was made on a penthouse At bottom is a picture of Horsetail Falls where everyone went one day. It is 20 miles from Monterrey, and high in the mountains.

Red Ellis rides up to see Horsetail Falls.

One of the sights of Monterrey.

Oh, those night clubs.

Paintner up at Big Spring. Boy, was it hot!

Gambler's Guitar.

S'matter, Betty?

Somebody's going to get ducked.

Getting a sun tan.

ANDREWS AND HOME AGAIN

Sleeping beauty.

Home, at last.

Touching it up.

One worker and 2 supervisors.

Junior High Safety Patrol.

Don't look now.

Kill it, slugger.

Surprise, Surprise.

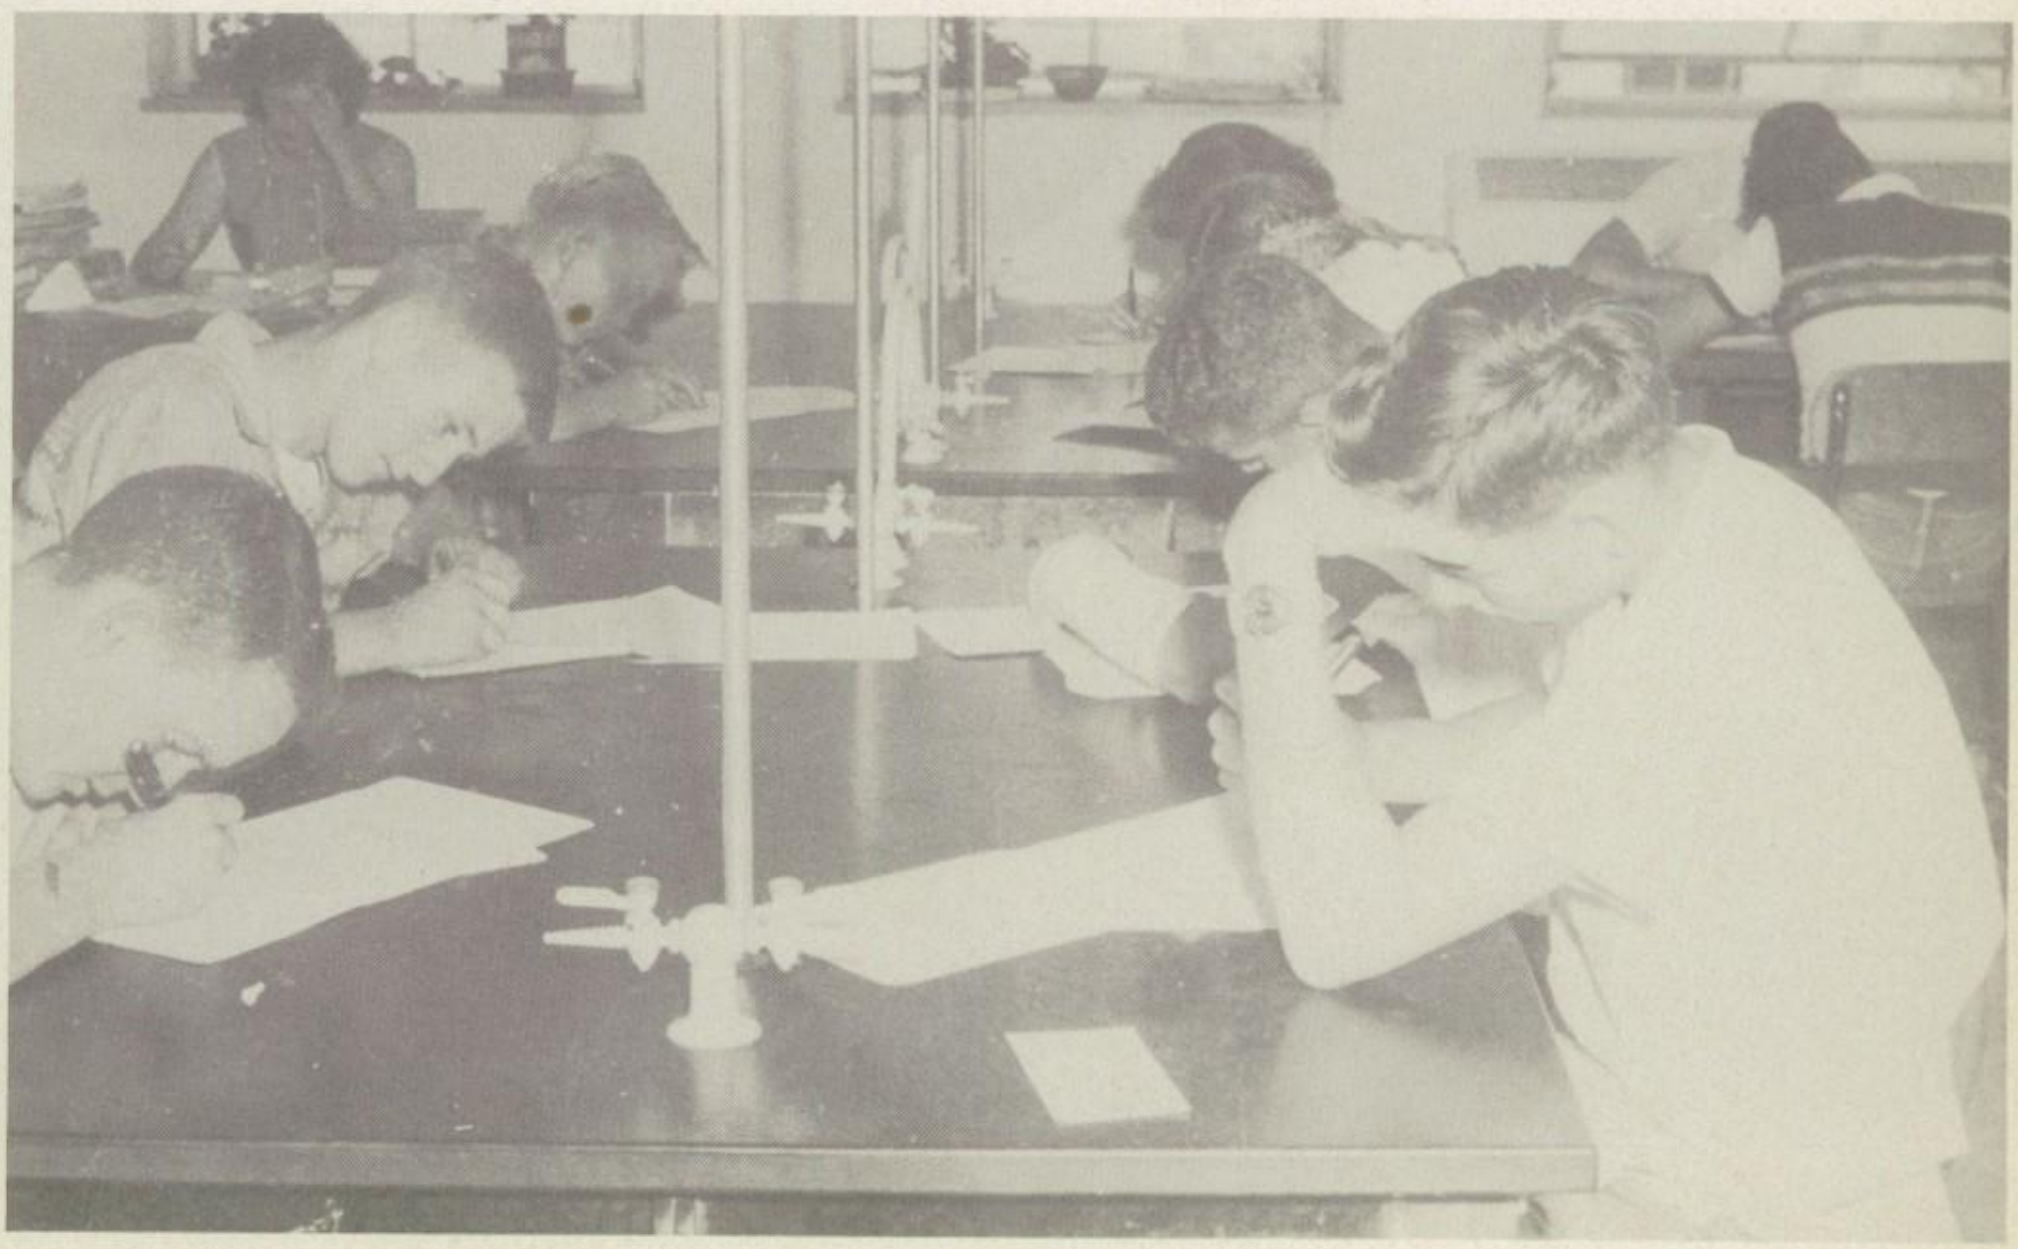
Jerry took care of the flag every day.

Work, you slave.

Big deals.

Where did this come from?

Mr. Williams must have cracked the whip.



Is the test that hard, Jerry?
